

We are EMS manufacturing specialists who take care of the whole process from designing to production.

ISO

ISO9001:2008

Certified Date : November 10, 2010 Certificate No : C2010-02670

Quality Assurance Policy

We ensure customer satisfaction and strive for constant quality enhancement.

ISO14001:2004

Certified Date : November 11, 2010 Certificate No : C2010-02671

Environmental Protection Policy

We make constant effort to promote environmental conservation with our business activities.

R&D

Circuitry / Printed Circuit Board Design / Trial Manufacture / Test

Procurement

Semiconductor / Electronic Components / Machine Parts / Cable

Printed Circuit Board-Assembly

Surface-Mount / Through-hole Mount / Soldering(Reflow, Flow, Hand) / Function Test / Coating

Electric Equipment Assembly & Test

Cable Assembly / Assembly / Wiring / Test

Product Applications

Semiconductor Manufacturing Equipments / Industrial Machineries / Motor Driver / Industrial Vehicles
 / Customized Vehicles / Power Supply for Electron Gun

Original Products

Pulse Isolator / Converter (Frequency / Voltage) / High Voltage Power Supply(new!)

Profile

Company Name	FAITH Co.,Ltd.
Established	May, 1984
Address	4-1-61, Ohnodai Minami-Ku Sagami-hara-city Kanagawa ,252-0331 JAPAN
Tel	+81-42-759-4868
Paid in Capital	JPY20million
Business Overview	Electronic Equipment / Parts Manufacturing
President	Mineo Shigematsu
Employees	45
Major Clients	ASM Japan K.K. Sumitomo Heavy Industries, Ltd. Ushio Inc. Mitsubishi Heavy Industries, Ltd. NEC Corporation
Membership	Japan Electronic and Packaging Circuit Association
